# Welcome.

We are pleased that you are joining your ambulatory care nursing colleagues at our 44<sup>th</sup> Annual Conference!

Our conference is filled with numerous opportunities for you to connect with other nurses in similar roles, enhance your leadership skills, and advance your practice.

We know you won't be able to take advantage of everything the conference has to offer in a few short days, **so we have extended the value of the conference** by providing you with online access to select sessions—for free!

With your **free access to the AACN Online Library**, you can:

- Access selected recorded sessions and presentation materials
- Obtain your CNE certificate
- Evaluate the sessions you attended

You have access to a rich source of CNE contact hours that you can use for certification and licensure requirements.

Thank you for attending the AACN Conference. Enjoy your time with us here in Palm Springs!

## Lead Retrieval & Exhibitor Contacts

AAACN will use a lead retrieval system in the conference Exhibit Hall. Attendees will receive a bar-coded badge that may be used during visits to the Exhibit Hall. You have the option to allow exhibitors to scan your badge, which contains the following information: your name, preferred mailing address, and email address. This service (optional to exhibitors) saves you time and makes your exhibit visits more productive.

**Note:** All conference exhibitors will receive a list of conference registrants that includes attendee names and mailing address. AAACN will NOT provide exhibitors with attendee email addresses.

# 2020 Call for Speaker and Poster Abstracts

AAACN 45<sup>th</sup> Annual Conference

April 15-18, 2020 · Chicago, IL

**Speaker abstract deadline: May 30, 2019**

**Poster abstract deadline: December 15, 2019**

## General Information

Abstracts that reflect innovative, evidence-based, or new practice information have the highest possibility for selection as a presentation at the conference.

## Submission Guidelines

Please visit the AAACN Abstract Management System to register and submit your abstract for review at the following web address: <https://www.conftool.org/aaacn2020/>

Complete submission guidelines are available at [aaacn.org](http://aaacn.org).

## Types of Presentation

- *Pre-conference workshop*: Workshop presentation of 3 hours that comprehensively focuses on a core skill important to ambulatory care nursing.
- *Concurrent session*: 60-minute formal presentation in a lecture-style format to an audience of 75+ participants.
- *Rapid fire session*: 20-minute formal presentation, limited to 1 speaker, on an innovative or exciting topic. 3 rapid fire topics will be grouped together in 1 breakout session.
- *Poster presentation*: Display of information using a hanging poster. Presenter should be prepared to interactively discuss their poster with individuals who arrive during the open sessions.

## Authorship of Abstracts

The primary author/investigator submits the abstracts with full consent of all co-authors/investigators. The primary author will be the contact person for all future correspondence. Although a nurse should be one of the authors/investigators, interprofessional abstracts are welcome (e.g. physician, pharmacist, social work, etc.). AAACN members and non-members are invited to submit abstracts. Encore presentations may be submitted for consideration. Abstracts selected for presentation must have a presenter who is able to present on any day of the conference.

## Abstract Submission, Review, and Acceptance

Abstracts must be submitted via the abstract management system by the requested deadline. Abstracts are blindly reviewed and evaluated for the completion of requested information and adherence to all instructions. If an abstract does not meet stated criteria, it will not be reviewed.

Notice of the review outcome will be sent by mid-November. An abstract which is not selected for presentation may have contained unclear concepts, content not supported by evidence, and/or simply may not have met the Program Planning Committee's needs assessment. If not selected for oral presentation, primary abstract submitters will be invited to submit the abstract for poster presentation consideration.

## Presentation of Abstract at Conference

Selected concurrent speaker abstract presentations will receive:

- Concurrent 60-minute presentation: \$100 discount off main conference registration for the primary presenter.
- Rapid fire presentation: \$100 discount off main conference registration for primary presenter.
- Pre-conference workshop: receive an honorarium that is dependent upon the length of the workshop and number of presenters.

# Big Things Coming To AAACN

## New AAACN Website

AAACN is in the process of developing a completely revamped website! Look for a more user-friendly experience, an in-depth search function, and a sleek, modern feel. The new website will enhance member benefits and provide a simpler, quicker navigation to our resources. *Coming Summer 2019!*

## New Telephone Triage Course

We recently announced that longtime member Carol Rutenberg was generously given the content of her popular telephone triage course, "Telephone Triage as Professional Nursing Practice: Improve Quality and Reduce Risk," to AAACN. AAACN will develop its own online telephone triage nursing course based on the content of Carol's proven education. *Coming in 2020!*
