DELIVERING ENTERAL CARE

Bionix® GastroFlush® with ENFIT® connection helps providers safely clear feeding tube obstructions and avoid emergency feeding tube replacement at a fraction of the cost of a new device.

Bionix® SafeStraw™ allows healthcare providers to safely manage swallowed liquid volume and help reduce aspiration of patients with oral motor dysfunction.

Bionix® DeClogger® helps healthcare provider's clear obstructed G, J, and PEG tubes in less than two minutes to restore medication delivery and reduce untimely tube replacement.

INNOVATIVE SOLUTIONS FOR EVERYDAY PROBLEMS

It's time to cheer for med-surg nurses!

**Medical-Surgical Nurses Week
November 1-7**

AMSN has designated this special week to celebrate you and all you do. Your compassionate care makes you a hero to patients and families.

Visit amsn.org/MSNW
for ways to celebrate
and items to purchase.

Why
become a
CMSRN®?

It
Just
Fits

Certified Medical-Surgical Registered Nurse

Achieve your professional goals.
Earn your CMSRN credential.

fits
you

fits your
patients

fits your
facility

fits your
future

Earning the CMSRN credential really helped me move up the clinical ladder at my hospital. It gave me a big sense of accomplishment.

*Drew Schofield, BSN, RN, CMSRN
Thornton, CO*

If we as med-surg nurses demonstrate our commitment, and the depth, breadth and importance of the specialty by certification, I think it can only help.

*Cynthia Frazer, MS, RN, CMSRN
Lexington, KY*

Learn more about eligibility, applying,
and preparing for the exam.

Credibility | Commitment | Confidence

medical-surgical nursing —
MSNCB[®]
certification board

WELCOME

We are pleased that you are joining your medical-surgical nursing colleagues at the 28th Annual AMSN Convention!

Our convention is filled with numerous opportunities for you to develop personally and professionally, connect with other medical-surgical nurses, and ultimately improve patient care.

We know you can't attend every session the convention offers in the few days that you'll be in Chicago. Your registration includes the opportunity to earn up to **17.25** contact hours (if attending the main convention), and access all recorded sessions* for free! No need to worry about missing a session occurring concurrently with another topic of interest to you. You can attend virtually later!

With your **free access to the AMSN Online Library**, you may:

- access recorded sessions and presentation materials*,
- access and print your CNE certificate, and
- evaluate the sessions up to your paid quantity of contact hours.

You'll never have to choose between concurrent sessions again! And, you have access to a rich source of CNE contact hours that you may use for recertification and licensure requirements.

Thank you for attending the AMSN Convention. Enjoy your time with us!

* **Note:** Sessions 121 and 323 will not appear in the Online Library.

Certified Medical-Surgical Nurses Mean Better Patient Outcomes & Enhance Your Health Care Organization's Reputation

**The FailSafe Certification Program™
gets your nurses certified –
and saves you money.**

The FailSafe Program helps nurse managers and employers remove two significant barriers for Certified Medical-Surgical Registered Nurse (CMSRN®) certification for their med-surg nursing staff:

- Fear of failure and upfront payment of exam fees.

Use FailSafe to Expedite the CMSRN Credentialing of Your Staff:

- Sign-up at least 10 nurses to take the CMSRN within one year's time
- If your nurses pass the exam, the health care organization pays the exam fees.
- If your nurses are unsuccessful, the organization doesn't pay, and the RN can take the exam **one more time** before a year's up.
- When your nurses pass the second time around, then the health care organization pays.

**Bring FailSafe to your
health care organization***

Visit: www.amsn.org

Call: 866-877-2676

Email: FailSafe@amsn.org

*Also ask us how you can submit an application for your health care organization's med-surg unit to achieve the AMSN PRISM Award® for med-surg nursing care excellence.

CONVENTION APP

Sponsored by

Get the most out of your experience with the AMSN convention app. Use the app to learn more about sessions, find and contact fellow attendees, post photos for all to see, connect to social media, and more.

Registered attendees automatically receive download and sign-in information in their confirmation emails. Additional information is available via amsn.org. Have more questions? Ask at the AMSN registration desk onsite.

Lead Retrieval System

AMSN will use a lead retrieval system in the convention exhibit hall. Attendees who pre-registered will receive a bar-coded badge that may be used during visits to the exhibit hall. You have the option to allow exhibitors to scan your badge, which contains the following information: your name, preferred mailing address, and email address. This service (optional to exhibitors) saves you time and makes your exhibit visits more productive.

Photo Release: AMSN occasionally uses photographs of convention participants in promotional materials (print and digital). By virtue of your attendance, you agree to usage of your image in such media. Additionally, any photos made public and shared through the official AMSN Annual Convention App are the property of AMSN and may be used in promotional materials.

CONVENTION ACTIVITIES

Chicago Architecture Foundation Center River Cruise Aboard Chicago's First Lady

#1 boat tour
in Chicago according
to TripAdvisor user
reviews!

Looking for the ultimate Chicago architecture experience? For more than 25 years, the CAC's expertly trained docent volunteers have led the river cruise, sharing fascinating stories behind more than 50 buildings along the Chicago River. Hear how Chicago grew from a small settlement into one of the world's largest cities in less than 100 years. In just 90 minutes, you'll get the best overview of Chicago's architecture and its history.

Details:

- Twilight Departure – September 27th, 7:30 pm
- Duration – 1.5 hours
- \$61 including tax and fees – food and beverage not included, but boat does have a cash bar with food on-board for individual purchase
- Departs at the Michigan Avenue crossing (Southeast corner of the Michigan Avenue Bridge at Wacker Drive; look for the blue awning marking the stairway entrance)
- About 1 mile (20-minute) straight walk down Michigan Avenue from Hilton Chicago
- Please arrive at the dock 30 minutes prior to departure
- Cruises depart rain or shine
- Reserve early! Tickets are on first-come, first-served basis
- Please remember to choose the 7:30 pm option on September 27th

To order tickets, go to the Convention FUN! in the Engage section of the Convention app.

CONVENTION ACTIVITIES

Networking Event

Thursday, September 26, 2:30 pm – 3:15 pm

Join the AMSN crew for a fun-filled networking session before Convention Orientation. Meet fellow attendees, enjoy light refreshments, and make forever friends.

Our Convention App Is So Good, It's Addictive (And You Can Win Prizes!)

The more you interact, the more points you'll earn. If you're among the top 20 users of the app each day, your name will be put in a drawing. The feed also shows the day's news, events, photos, and more.

Strike A Pose!

You'll be tempted to blow up your Instagram feed with pictures from our photo booth. We understand. Gather your friends and those oversize pizza hats and strike a pose. (Don't forget to post your pic in the app!)

Make Your Mark

We love seeing where you traveled from and how many years you've attended the convention. Grab a push pin and show us on the map posted near the Continental Ballroom Foyer on the Lobby Level.

This Graffiti Is Legal

Frustrated artist? Unleash that creative energy on the graffiti board. You can also show off in front of your friends when you correctly answer the Question of the Day.

AMSN Convention Store - **New and Expanded!**

Visit us in the Registration area for t-shirts, hoodies, backpacks, tumblers, pens, notebooks, and more! See page 21 in the "Program-at-a-Glance" section for store hours.

The Hub has a *new* app!

The Hub is AMSN's online members-only community where you can connect with fellow AMSN members, share resources, and grow as a med-surg nurse!

And now you can access the Hub easily through an app on your phone or tablet! Just download the app "MemberCentric", search for Academy of Medical-Surgical Nurses, and log in with your AMSN credentials.

**All the fun of the Hub
right at your fingertips!**

PROGRAM HIGHLIGHTS

THURSDAY, SEPTEMBER 26, 2019

9:00 am – 7:00 pm

Registration Open

2:30 pm – 3:15 pm

Networking Event

Join the AMSN crew for a fun-filled networking session. Meet fellow attendees, enjoy light refreshments, and make forever friends.

3:30 pm – 4:15 pm

100 Convention Orientation

(No contact hours will be awarded for this session.)

Facilitator: Jennifer Palmer, BSN, RN, CMSRN

- After completing this learning activity, the participant will know how to obtain CE credit, identify the benefits of networking, and exhibit a sense of readiness for the convention.

4:30 pm – 6:30 pm

Opening Ceremonies and Opening Address (1.25 contact hours)

101 The Gift of GAB

Conor Cunneen

- After completing this learning activity, the participant will learn the power of the gift of GAB (goals, attitude, behavior) and how the gift of GAB can impact every environment in a positive manner.

6:30 pm – 8:45 pm

102 Grand Opening Reception in Exhibit Hall

6:30 pm – 10:00 pm

Poster Viewing

- After completing this learning activity, the participant will assess innovations being used by other professionals in the specialty and evaluate the potential of implementing the improvements into practice.

TRACK DESIGNATIONS	
L leadership	CCTM care coordination and transition management
G general	H healthy practice environment
C clinical	S student
	E evidence-based practice/research

PROGRAM HIGHLIGHTS

FRIDAY, SEPTEMBER 27, 2019

7:00 am – 5:00 pm
Registration Open

7:00 am – 8:00 am
Continental Breakfast

7:00 am – 10:00 pm
Poster Viewing

8:00 am – 9:15 am
Presentation of the AMSN Anthony J. Jannetti Award for Extraordinary Contributions to Health Care

Keynote Address (1.0 contact hour)
103 The Role of Nurses in Population Health
CCTM

Linda Burnes-Bolton, DrPH, RN, FAAN

- After completing this learning activity, the participant will identify the demand for nursing care year 2020; delineate the knowledge and skills nurses must acquire to provide the increasing demand for population health services; and describe the role of medical-surgical nurses in the delivery of safe, effective, efficient, and person-centered care to meet the public demand for health and health care.

Sponsored by 

9:15 am – 11:15 am
Exhibit Hall Open/Coffee Break

9:15 am – 11:15 am
Chapter Officers' Breakfast (by invitation only)

- Meet and network with other chapter officers.
- Celebrate new chapters.
- Share chapter successes in the areas of recruitment, organization, education, professional development, and service.

11:15 am – 12:30 pm
Concurrent Sessions (1.25 contact hours)
111 Finance and Nursing

L

Jacalyn Liebowitz, DNP, MBA, RN, NEA-BC, FACHE, CPHQ

- After completing this learning activity, the participant will be able to discuss how a good positive collaboration between the nursing and financial sectors of the healthcare arena helps to ensure quality care for patients and financial stability for organizations and understand the financial implications of quality metrics.

PROGRAM HIGHLIGHTS

112 Creation and Sustainment of a Specialized Geriatric Unit: Nurses Leading the Way

C/CCTM

Deborah Francis, DNP, RN-BC, APRN-CNS, ACNS-BC; Krystal Renz, MS, RN-BC; Maggie Shaw, RN-BC; Tracy Blevins, BSN, RN; Kelley Fitzgerald, BSN, RN

- After completing this learning activity, the participant will verbalize the benefits in providing specialized care to the geriatric patient population and implement the geriatric protocols within their area of practice.

113 Conflict in the Healthcare Workplace: How to Face It Head on

H

Elisa Romero, MSN, RN, CMSRN

- After completing this learning activity, the participant will discuss strategies for managing conflict in the healthcare workplace and learn how to assess, address, and act through conflict.

114 Using RCA and FMEA Processes for Maximum Benefit

E

Ellen Evans, MN, MPH, CPHQ, CJCP, CPPS, RN

- After completing this learning activity, the participant will effectively use an RCA or FMEA process in their organization.

115 Know Your Arthritis: OA vs. RA

G/S/CCTM

Dottie Roberts, EdD, MSN, MACI, RN, OCNS-C, CMSRN, CNE

- After completing this learning activity, the participant will compare and contrast OA and RA, including implications for nursing care.

12:30 pm – 12:45 pm

Pick Up Box Lunch

(ticketed event)

12:45 pm – 1:45 pm

Lunch and Learn Concurrent Sessions (1.0 contact hour)

121 From Good to Great: Empowering Bedside Staff to Lead the Way in Quality Improvement

L/CCTM

Allison Young, BSN, RN, CMSRN; Amanda Free, MSN, RN, CNML

- After completing this learning activity, the participant will understand the value of implementing and utilizing bedside nursing staff as quality improvement coaches to improve the adoption and sustainability of effective quality improvement interventions.

122 State of the Evidence in Falls Prevention Programs

C/CCTM

Kathleen Meyer, DNP, APRN; Bradley Benick, MSN, MA, RN, VHA-CM

- After completing this learning activity, the participant will identify the various levels of evidence to the current nursing interventions used in a falls prevention program.

This session will not appear in the AMSN Online Library.

PROGRAM HIGHLIGHTS

123 What Makes an AMSN PRISM Award® Unit Exemplary? Key Characteristics of Units that Have Achieved AMSN PRISM Award® Recognition

H

Barbara Brewer, PhD, MBA, MALS, RN, FAAN; Claire Bethel, MSN, RN-BC; Megan Quinn, BSN, RN

- After completing this learning activity, the participant will be able to identify key characteristics of medical-surgical units that received the PRISM award.

124 Back to Basics: Nursing Fundamentals Promote Best Patient Outcomes **E/S**

Beth Norman, MS, RN, CNS, ARNP, ACNS-BC

- After completing this learning activity, the participant will understand the impact of basic nursing care on patient outcomes, recognize the value these interventions have in promoting well-being of patients and nurses, and verbalize one practice change you will make as a result of this course.

125 Addressing the Silent Healthcare Dilemma: Intimate Partner Violence **G/S**

Cindy Merrow, MSN, RN-BC

- After completing this learning activity, the participant will define domestic violence/intimate partner violence, identify four types of intimate partner violence, recognize IPV as a healthcare dilemma, and recognize the importance of adequate assessment and intervention.

1:45 pm – 3:30 pm

Exhibit Hall Open/Beverage Break

3:30 pm – 4:45 pm

Concurrent Sessions (1.25 contact hours)

131 At the Table, Not on the Menu: Strengthening AMSN's Voice in Advocacy **L**

Frank Purcell, BS

- After completing this learning activity, the participant will engage in the professional advocacy program of AMSN, communicate AMSN's advocacy agenda within the context of contemporary health policy trends, and relate the AMSN agenda to issues medical-surgical nurses address day-to-day with their patients.

132 Opioids, Addiction, and the Med-Surg Nurse **C/S**

Catherine Skowronsky, MSN, APRN, ACNS-BC, CMSRN

- After completing this learning activity, the participant will discuss SBIRT as a model of care for patients with addiction, describe addiction as a chronic illness, and identify modes of medication-assisted therapy for addiction.

PROGRAM HIGHLIGHTS

133 Creating a Culture of Safety: Improving Communication in Health Care H/CCTM

Cynthia Stinson, PhD, APRN, CNS, RN-BC; Ruthie Robinson, PhD, RN, CNS, FAEN, CEN, NEA-BC

- After completing this learning activity, the participant will identify themes associated with errors that lead to safety issues and discuss nursing strategies to alleviate nursing errors.

134 Diabetes Update 2019 (includes 0.66 hours of pharmacology credit) E/CCTM

Joan Frizzell, PhD, CRNP, ANP-BC; Mary J. Garner, BSN, RN-BC

- After completing this learning activity, the participant will describe the various types of insulin used to treat DM and the types of insulin delivery systems and explain how the closed loop insulin delivery system is used to treat DM.

135 Are You Prepared to Care for Your Next Admission: A Transplant Patient? G/CCTM

Darlene Lovasik, MN, RN, CCRN-K

- After completing this learning activity, the participant will review assessment and common aspects of nursing care for kidney, pancreas, liver, intestine/multi-visceral, heart, and lung transplant recipients and discuss immunosuppressive drug therapy.

6:00 pm – 9:00 pm

Off-Site Evening Session and Tour of International Museum of Surgical Science

(1.50 contact hours)

The Biology of Stress and the Art of Resilience

Evelyn Perkins, MS, RN, PMH-BC, NE-BC

- After completing this learning activity, the participant will discuss what happens to the brain when the body experiences stressful situations, how to recognize what's going on within your body, and the art of developing resilience to decrease stress.

Note: Limited to 75 pre-registered participants. Participants will be taken to the International Museum of Surgical Science for wine and cheese reception, facility tour, and 90-minute education presentation. Two buses will board at 5:15 pm at E. 8th Street hotel entrance.

Hosted by the Chicago Chapter of AMSN #317

PROGRAM HIGHLIGHTS

SATURDAY, SEPTEMBER 28, 2019

7:00 am – 5:00 pm

Registration Open

7:00 am – 8:00 am

Continental Breakfast

7:00 am – 10:00 pm

Poster Viewing

8:00 am – 9:30 am

Town Hall (1.25 contact hours)

201 Evidence-Based Implications for Nurse Staffing

Linda Yoder, PhD, MBA, RN, AOCN, FAAN

- After completing this learning activity, the participant will discuss the pros and cons of acuity-based staffing versus mandated ratios, the issues related to 12-hour shifts and staffing, and the linkages between unfinished nursing care and staffing.

9:30 am – 9:45 am

Coffee Break

9:45 am – 11:00 am

Concurrent Sessions (1.25 contact hours)

211 Mentorship: A Pathway for Leadership Development

L/CCTM

Mary Rich, DNP, MSN, MAS, RN, NE-BC, CCRN; Tracy Vitale, DNP, RNC-OB, C-EFM, NE-BC; Mary Jo Loughlin, MAS, BSN, RN, NE-BC

- After completing this learning activity, the participant will describe the process for developing a nurse leader mentorship curriculum, implementation of the program at a statewide level, and application of the qualitative research findings to refine the program.

212 Breathless – Cervical Spine Surgery Complications and Legal Issues

C

Barbara Levin, BSN, RN, CMSRN, ONC, LNCC

- After completing this learning activity, the participant will identify potential complications related to cervical spine surgeries.

213 There Is No “I” in Team, But There Is “Me”: The Impact of Social Capital on the Severity of Second Victim Syndrome in Registered Nurses

H

Terri Hinkley, EdD, MBA, BScN, RN

- After completing this learning activity, the participant will demonstrate the important role that social support, at all levels of an organization, plays in the severity of second victim syndrome experienced by registered nurses and address the critical role an institution's social network plays in a nurse's ability to recover from second victim syndrome.

PROGRAM HIGHLIGHTS

214 The Hope Floor

E/S

Tamara Mitchell, MSN, RN

- After completing this learning activity, the participant will learn new ways to deal with nurse burnout related to IV drug user patients, improve patient outcomes, and reduce AMA and 30-day readmissions.

215 Risk Management Considerations for the Medical-Surgical Nurse

G

Franchesca Charney, MS, RN, CPHRM, CPPS, CPSO, DFASHRM

- After completing this learning activity, the participant will explain the linkage of culture, communication, teamwork, and patient safety and discuss proactive and retrospective risk mitigation methods to minimize and reduce errors that are likely to reoccur.

11:15 am – 12:30 pm

Concurrent Sessions (1.25 contact hours)

221 Knock-Knock: Intrinsic Accountability Is at the Door

L

Amanda Kidd, MSN, RN, ACNPC-AG, NEA-BC, CCRN-K

- After completing this learning activity, the participant will name two intrinsic drivers of accountability and identify two barriers, along with solutions, to achieve intrinsic accountability.

222 Public Health Pests and Nursing Nightmares: Practical Strategies for Managing Bed Bugs and Other Creepy Crawlies

C/S

Patrick Burke, MPH, CIC

- After completing this learning activity, the participant will understand strategies for managing pests of public health importance in the hospital setting.

223 Interruptions in the Medical-Telemetry Nursing Unit: Just Part of the Culture?

H

Susan Hopkinson, PhD, MSN, RN-BC

- After completing this learning activity, the participant will describe how the culture of a medical nursing unit contributes to the interruptions that occur.

224 Men's Health (includes 0.25 hours of pharmacology credit)

E

Sally Russell, MN, BSN, RN, CMSRN, CNE

- After completing this learning activity, the participant will relate pathophysiologic changes that occur with various male health challenges to the evidence-based care necessary in nursing interventions.

PROGRAM HIGHLIGHTS

225 Law and Order for Medical-Surgical Nurses

G

Lorie Brown, JD, MN, RN

- After completing this learning activity, the participant will learn how to protect their most valuable asset, their license, by using an acronym called GIFTS.

12:30 pm – 2:00 pm

Lunch Symposium

230 The Importance of Perioperative Nutrition in Wound Healing

Joyce Black, PhD, RN, FAAN; Katie Starr, PhD, RDN, LDN

(ticketed event)

- Discuss how to optimize patient outcomes by improving nutrition status pre-operatively.
- Describe the benefits of immunonutrition in enhancing surgical recovery.
- Demonstrate the potential for improved wound healing and reduced surgical complications utilizing evidence-based perioperative nutrition and wound healing protocols.

Sponsored by Abbott Nutrition Health Institute

(Participation is limited)

OR

12:30 pm – 2:00 pm

Lunch on Your Own

Get 15% off in these participating hotel food outlets when you show your registration badge: Kitty O'Shea's, Herb and Kitchen, and 720 Grill/Lounge. Be sure to identify yourself as an AMSN attendee and ask for the discount even if wearing your badge to make sure you receive the discount. Please note that this discount DOES NOT apply to room service.

12:30 pm – 3:15 pm

Leadership Summit (by invitation only)

- Meet and network with AMSN leaders.
- Celebrate AMSN successes.
- Discuss AMSN future plans and collaborations.
- Describe ways to address future needs of med-surg nurses and AMSN.

2:00 pm – 3:15 pm

Concurrent Sessions (1.25 contact hours)

241 APRNs as Leaders in Complex Discharge Planning: Tools for Success

L/CCTM

Margaret Ecklund, MS, RN, CCRN-K, ACNP-BC; Lori Dambaugh, DNP, CNS, RN

- After completing this learning activity, the participant will identify necessary elements to assure successful discharge plans to avoid readmission, describe how the APRN is positioned to lead the team for interdisciplinary planning, and propose a structure for interprofessional discharge rounds to organize planning.

PROGRAM HIGHLIGHTS

242 Multimodal Pain Management: Addressing the Opioid Epidemic at the Bedside (includes 1.0 hours of pharmacology credit)

C/CCTM

Michael Urton, DNP, APRN, AGCNS-BC

- After completing this learning activity, the participant will identify three techniques for improving pain management while minimizing reliance on opioid medications.

243 Caution: You Are Administering Hazardous Drugs. Are You Using Safe Handling Practices?

H

Darlene Lovasik, MN, RN, CCRN-K

- After completing this learning activity, the participant will describe the NIOSH guidelines, chapter 800 requirements/standards related to nursing; describe safe-handling practices; and discuss the technology and procedures available to decrease the risks of handling, preparing, and administering hazardous drugs.

244 Cardiac Procedures and Interventions

E

Sheila Chucta, DNP, APRN-CNS, CCRN, ACNS-BC; Jodi Doney, MS, RN-BC, CNL

- After completing this learning activity, the participant will have an understanding of the concepts necessary to provide safe and effective care after cardiac procedures.

245 Embracing Diversity! One Hospital's Journey Towards Creating Inclusive Care Environments for LGBTQ+ Patient Populations

G/S

Ann Yacone DiAgostino, MSN, RN, CMSRN, NEA-BC

- After completing this learning activity, the participant will identify healthcare disparities that exist among the LGBTQ+ population as well as steps to provide an affirming and culturally competent healthcare environment for members of the LGBTQ+ community.

3:15 pm – 3:30 pm

Beverage Break

3:30 pm – 4:45 pm

General Session (1.25 contact hours)

250 Medical-Surgical Nurses' Evidence-Based Practice Beliefs and Competencies

Linda Yoder, PhD, MBA, RN, AOCN, FAAN; Lynn Gallagher-Ford, PhD, RN, NE-BC, DPF-NAP, FAAN

- After completing this learning activity, the participant will describe the EBP attributes of the med-surg nurses who participated in the national survey.

PROGRAM HIGHLIGHTS

5:00 pm – 5:45 pm

Evening Session (No contact hours will be awarded for this session.)

260 Are You Considering CMSRN Certification? Are You Due for Recertification?

Facilitators: Antoinette Falker, DNP, RN, GCNS-BC, CMSRN, CBN; Wes Foster, MSN, BA, RN, CMSRN, CCCTM, OCN; Cathryn Kelly, MSN, RN, RD, CCCTM; Summer Bryant, DNP, RN, CMSRN; Kristi Reguin-Hartman, MSN, APRN, ACNS-BC; Kristina Esposito, BBA

Stop by for some light snacks while board members share their certification stories. You'll get answers to all your CMSRN certification and recertification questions!

SUNDAY, SEPTEMBER 29, 2019

7:00 am – 12:30 pm

Registration Open

7:00 am – 8:00 am

Continental Breakfast

7:00 am – 9:45 am

Poster Viewing

8:00 am – 9:15 am

Concurrent Sessions (1.25 contact hours)

311 The MAGNUS Experience: Nurturing and Empowering the Clinical Nurse L

Mary Beth Modic, DNP, APRN-CNS, CDE, FAAN; Lauren Bruwer, MSN, APRN, AGCNS-BC, PCCN

- After completing this learning activity, the participant will describe the components of an effective clinical empowerment program.

312 Managing Complex Behavioral Health Patients on Medical-Surgical Units C

Naomi King, DNP, RN, CMSRN; Becky Ramel, BSN, RN, PCCN-K

- After completing this learning activity, the participant will describe the management of keeping complex behavioral health patients safe who are admitted to medical-surgical units.

313 Nursing and Social Media: What Would @FlorenceNightingale Say? H/S

Cristen Mackwell, MSN, RN-BC, CMSRN

- After completing this learning activity, the participant will describe at least two ways social media impacts the nursing professional.

PROGRAM HIGHLIGHTS

314 Beers Criteria (includes 1.25 hours of pharmacology credit)

E/CCTM

Kathryn Perticone, MSW, APN; Meghan Baldwin, APRN

- After completing this learning activity, the participant will understand the Beers Criteria and how to use it in a clinical setting, identify medications to avoid in the geriatric population, and discuss appropriate use of psychotropic medications in managing agitation in the geriatric population.

315 Genetic Testing in Cancer Patients for the Medical-Surgical Nurse (includes 0.5 hour of pharmacology credit)

G

Jane Lacovara, MSN, RN, CNS-BC, CMSRN

- After completing this learning activity, the participant will state the importance of genetic testing in cancer treatment protocols.

9:15 am – 9:30 am

Coffee Break

9:30 am – 10:30 am

Concurrent Sessions (1.0 contact hour)

321 Best Practices for Successful Implementation of Professional Practice Nurse Leader Roles

L

Gayle Murphy, MN, BSN, CMSRN; Michelle Barnhart, MS, RN, CNL

- After completing this learning activity, the participant will describe the foundational themes necessary to successful implementation of professional practice nurse leader roles, understand the top five concepts of successful role implementation, and apply at least two tools that facilitate successful implementation of nurse leader roles.

322 Improving Post-Op Care by Educating Clinical Nurses on Intra-Op Positioning

C/S

Reagan Rose, BA, RN, CNOR; Hyonchu Kim, BSN, RN

- After completing this learning activity, the participant will recognize best practices for reducing post-surgery skin complications, identify education to enhance knowledge of surgical positioning complications, and develop a new viewpoint of your role in preserving skin integrity beyond the OR.

323 Vital Signs of Well-Being

H

Dina Markind, MSN, RN

- After completing this learning activity, the participant will walk away with strategies for increasing personal and professional resilience, improving performance, and ensuring greater engagement with work.

This session will not appear in the AMSN Online Library.

PROGRAM HIGHLIGHTS

324 How CMSRNs View Continuing Competence and Value of Certification

E

Diane Boyle, PhD, RN, FAAN

- After completing this learning activity, the participant will describe CMSRNs' views of continuing competence and the value of certification.

325 Five Years Later: Examining Nursing Implications Following Colorado's Controversial and Trend-Setting Marijuana Legislation

G

Jenna Pratt, MSN, APRN, AGCNS-BC, CMSRN

- After completing this learning activity, the participant will discuss several possible implications to nursing and health care in the setting of legal marijuana.

10:45 am – 11:45 am

Concurrent Sessions (1.0 contact hour)

331 The Leadership Engine: Nurses, Clinical Leadership, and High Performance

L

Lynn Sprayberry, PhD, RN

- After completing this learning activity, the participant will be prepared to build the "leadership" engine in the practice setting.

332 Understanding the Why: Rapid-Fire Gastrointestinal Review

C/S

Kathleen Hill, MSN, APRN, CCNS

- After completing this learning activity, the participant will gain a better understanding of WHY tests are ordered, WHEN to suspect gastrointestinal malfunction, WHO is at risk for intestinal failure, WHERE to look for complications associated with upper versus lower GI surgery, and WHAT to monitor during interventions and therapies.

333 Navigating Cybersecurity within Patient Care

H/S

Elizabeth Weeks, BSN, RN-BC, CMSRN

- After completing this learning activity, the participant will understand the basics of cybersecurity.

334 Readiness for Discharge: Nurse-Driven Intervention to Reduce Readmissions

E/CCTM

Jean Dowling Dols, PhD, RN, NEA-BC, FACHE; Katie Chargualaf, PhD, RN, CMSRN; Clare Schwarzbach, BSN, RN

- After completing this learning activity, the participant will describe effective strategies to reduce readmissions.

PROGRAM HIGHLIGHTS

335 Skin Failure: Diagnosis and Treatment of Wound and Skin Disorders in the Terminally Ill Patient

G

Traci Brackin, DNP, APRN, FNP-BC, APCWCN

- After completing this learning activity, the participant will gain information needed to understand the concept of skin failure, including key concepts for treatment with a palliative focus.

10:15 am – 11:15 am: even-numbered posters (ex. 2, 28, 76)

Poster List

View a complete list of posters and designated presenters via the AMSN Convention App and the AMSN Online Library. Posters are listed in the following categories for display.

Category designation

Poster range

Care Coordination	Posters 1-5
Clinical (Group A)	Posters 6-26
Clinical Nurse Leadership	Posters 27-38
Clinical (Group B)	Posters 39-64
Creating/Sustaining Healthy Practice Environments	Posters 65-74
Evidence-Based Practice	Posters 75-97
Leadership	Posters 98-99
Research	Posters 100-109
Other	Posters 110-122

Virtual Display

As an added resource for medical-surgical nurses, select poster content submitted for convention consideration and/or displayed at the convention will be available post-convention for electronic viewing in the AMSN Online Library.

NEW! “Five-Minute Focus” Poster Presentations

Posters will be rated by members of the convention planning committee on Thursday, September 27, starting at 1:00 pm. Presenters for posters selected as AMSN “5-Minute Focus” Poster Presentations will be notified via direct notice of the date and time of the video recording. Presenters will be asked to record a 5-minute video clip to provide a brief overview of the poster. These video clips will be featured in the AMSN Online Library after the convention.

PROGRAM-AT-A-GLANCE

Thursday, September 26, 2019

9:00 am – 7:00 pm Registration Open

Location: 8th Street North/South

2:30 pm – 3:15 pm AMSN Networking Event

Location: Stevens Salon A (Lower)

The AMSN PRISM Award® Unit Nurses Represent the Best in Med-Surg Nursing

The AMSN PRISM Award® provides special recognition to the exemplary practice of medical-surgical units. This honor of distinction celebrates medical-surgical units that have sustained excellence in six categories including:

- Leadership
- Recruitment & Retention
- Patient Outcomes
- Evidence-based Practice
- Healthy Practice Environment
- Lifelong Learning

Medical-Surgical units that have joined the roster of current AMSN PRISM Award® achieving units include the A3 Medical & Surgical unit at King Faisal Specialist Hospital representing both the second unit at King

Faisal to achieve the AMSN PRISM Award® and the second international AMSN PRISM Award®. Continuing the trend of multiple units within a facility to achieve the AMSN PRISM Award® include med-surg units at Inspira Medical Center and Virtua Health in New Jersey, MedStar in Washington, D.C., UC Davis Medical Center in California, and units at The Ohio State University Wexner Medical Center in Columbus, OH.

On behalf of AMSN, MSNCB and the AMSN PRISM Award Committee congratulations to all of nurses and staff on this outstanding achievement.

To view the complete list of AMSN PRISM Award® achieving units, please visit amsn.org.

28th Academy of Medical-Surgical Nurses Annual Convention

Hilton Chicago
Chicago, IL • September 26-29, 2019

motivate you...

*Connecting
you...*

*to the people and
practices that
move you...*

*and mean
something
to you...*

AMSN's
Online Library
Includes:

- Conference handouts
- Online Evaluations/CNE
- Conference sessions (live audio recordings)
- Earn CNE credit post-event for sessions you missed onsite
- Access anytime, anywhere!

Evaluation
Deadline Date:
Oct. 21, 2019

How to Claim CNE Credit

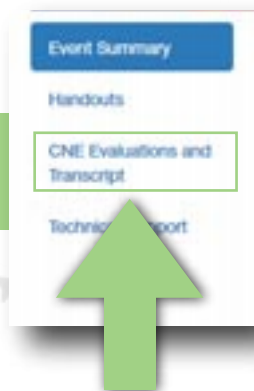

1. Log in at amsn.org/Conv19CE with your AMSN username and password.*
2. Click on **CNE Evaluations and Transcript**. Then simply complete an evaluation for each session for which you want to claim CNE credit.

Please remember to complete the Overall Conference Evaluation as well. Your feedback helps us make each conference more successful!

Your CNE certificate/transcript for this conference can be accessed any time by clicking on **CNE Transcript** under *My Account*.

***Do not create a new account!**

If you do not know your password, if you or your employer mailed your registration, and/or you have never established an AMSN online account, go to amsn.org and click the Sign in button, enter your email address then click "Forgot Your Password".

CONTINUING EDUCATION INFORMATION AND DISCLOSURES

Learning Outcome

Participants who attend this convention will gain enhanced knowledge of current trends in nursing and health care by examining the latest information and best practices related to medical-surgical nursing.

Requirements for Successful Completion

Attend 90% of each session in which contact hours are earned, complete an online evaluation, and submit.

Continuing Education

Designated sessions contain pharmacology content that can be applied toward pharmacology credit requirements. Pharmacology content credit is time-based on the objectives and content outline. Pharmacology credit of at least 3.16 hours can be accumulated by any one person attending conference sessions (if attending sessions offering the highest number of pharmacology hours available).

This education activity is jointly provided by Anthony J. Jannetti, Inc. (AJJ) and the Academy of Medical-Surgical Nurses (AMSN).

Anthony J. Jannetti, Inc., is accredited as a provider of nursing continuing professional development by the American Nurses Credentialing Center's Commission on Accreditation.

Anthony J. Jannetti, Inc., is a provider approved by the California Board of Registered Nursing, Provider Number CEP5387.

Conflict of Interest Disclosure

Convention planning committee members: No planning committee declares any potential or actual conflict of interest.

Abstract reviewers: No abstract reviewer declares any potential or actual conflict of interest.

Speakers:

Lynn Gallagher-Ford (session 250) discloses that she receives royalties as the co-author of a textbook on evidence-based practice and serves on the speakers' bureau for Abbott Nutrition.

Terri Hinkley (session 213) discloses that she serves as CEO of AMSN and MSNCB.

Dina Markind (session 323) discloses that she is the president, coach, and speaker for Vital Signs of Well-Being®, which is a trademarked program that will be discussed during the presentation.

Frank Purcell (session 131) discloses that he serves as a legislative consultant to AMSN.

Posters: Linda Chan (poster 87) discloses that she received other financial/material support from an AMSN Research Grant she received in 2017.

Marisa Streelman (poster 12) discloses that she serves as a director on the Board of Directors for AMSN.

Commercial Support and Sponsorship Disclosure

This program received no commercial support. This program received corporate sponsorship from the following: MSNCB (session 103).

Should any additional disclosures be provided to AMSN, documentation will appear post-conference in the AMSN Online Library.

CALL FOR ABSTRACTS

2020 AMSN Annual Convention Call for Abstracts

Speaker abstracts now open!

Deadline: October 30, 2019

Poster abstracts open January 1, 2020.

Deadline: May 15, 2020

Visit amsn.org for complete details and direct link for submission

General information: Have you implemented a creative nursing intervention, a new care delivery model, a cutting-edge clinical practice, or an innovative research project? If so, you are invited to share your expertise with colleagues.

Submission guidelines: Complete submission guidelines and a link to the Abstract Management System are available at amsn.org.

Types of presentation

General Session: 75-minute formal lecture-style presentation to all convention attendees.

Concurrent Session: 60-minute or 75-minute formal presentation in an interactive, lecture-style format to an audience of 75+ participants.

Poster Presentation: Display of information using a hanging poster. Presenter should be prepared to interactively discuss their poster with individuals who arrive during the open sessions. Also, those presenters whose poster is selected as a “5-Minute Focus” poster will be expected to be recorded on site during the convention.

Levels of presentation

Presentation level is important to the planning process to assure that all learning content levels are represented in the overall program.

Advanced beginner: Primary focus is on the individual patient and family. Uses decision trees, algorithms, protocols, and evidence-based practice guidelines. Principles, based on experiences, begin to be formulated to guide actions.

Proficient: More holistic understanding improves decision-making. Able to critically think based on experiences. Advocates for patient and family.

Expert: Has intuitive grasp of clinical situation. Performance is fluid, flexible, and highly proficient. Incorporates evidence-based resources and nursing research into daily plan of care.

Suggested topic areas

Care coordination and transition management: Provides information for nurses who coordinate care and manage transitions of patients among levels of care, providers, and settings.

Clinical: Cutting-edge information about the clinical aspect of medical-surgical practice that may include clinical practice trends and new treatments.

Clinical nurse (bedside) leadership: Presentations on how to develop leadership skills of the clinical nurse at the bedside and how this empowers nurses to influence changes to enhance patient and organizational outcomes.

Creating/sustaining healthy practice environments: New ideas on how to create and/or sustain healthy practice environments in medical-surgical units with increasingly complex demands. Promote optimal patient outcomes with varied staffing models.

(continued on p. 42)

CALL FOR ABSTRACTS

Evidence-based practice: Integrates the best available evidence to guide nursing care and improve patient outcomes. This helps health practitioners address healthcare questions with an evaluative and qualitative approach.

Leadership: Emerging models of leadership, ways to influence outcomes and quality, and experiences integrating new models of care within the fiscally challenged environment to include the changing managed care arena.

Legislation/health policy advocacy: How nurses can promote effective healthcare laws, standards, systems, and regulations that impact medical-surgical nursing. Health policy advocates promote improvements for both patients and fellow healthcare professionals.

Research: Presentations on research-based studies relevant to medical-surgical nursing practice are encouraged. Also, research methods and discussion of research issues will be considered.

Authorship of abstracts: The primary author/investigator submits the abstract with the full consent of all authors/investigators and has obtained the necessary institution clearance. A nurse should be one of the authors/investigators. AMSN members and non-members are invited to submit abstracts. Encore presentations may be submitted for consideration. The primary author will be the contact person for future correspondence.

Abstract submission, review, and acceptance: Abstracts must be submitted via the abstract management system by the requested deadline. A blind review of the abstract is directed by the AMSN Convention Planning Committee. The abstract will be evaluated for the completion of requested information and adherence to all instructions. *If an abstract does not adhere to the stated criteria, it will not be reviewed.*

Note: Abstracts that are product-based will not be considered.

Presentation of abstract at convention

Speaker abstracts: Selected speaker abstract presentations will receive an honorarium choice of full convention complimentary registration or a \$200 stipend to cover expenses.

Poster abstracts: Primary poster presenters are eligible to receive a \$100 discount off the full main convention registration fee. Only one discount per poster presentation. No travel or other expenses are provided. Presenters are responsible for all expenses incurred for their presentation including, but not limited to, the poster itself.

AMSN will supply an assigned presentation space and a 4-foot high by 8-foot wide cork display board. Format for the poster presentation should include a creative, visual presentation of the abstract content. Poster presenters must be present at their poster display during the dedicated poster presentations times to allow colleagues to ask questions. Exact times are subject to the final program and will be communicated to presenters. The presenter can be someone other than the primary author but should be a registered nurse qualified to discuss the topic content.

SCHOLARSHIP, GRANT, AND AWARD ACHIEVEMENTS

Celebrating AMSN and MSNCB Scholarship, Grant, and Award Achievements!

Throughout the year, AMSN and MSNCB present scholarships, grants, and awards to members and other nurses who have demonstrated their commitment to excellence in the practice of medical-surgical nursing. These distinguished individuals have received an AMSN or MSNCB grant, scholarship, or award which has provided them with the opportunity to further their nursing education, develop knowledge of the legislative process, attend the annual convention, or pursue research opportunities.

Career Mobility Scholarship

Provides funding to support AMSN members in their pursuit of higher nursing education including LPN to RN, RN to BSN, RN to MSN, or an MSN to Doctorate degree.

2019 Career Mobility Grant Recipients:

Angela Common, BSN, CMSRN

Karen Hobbs, MSN, RN

Sara Newberry, MSN, RN, CMSRN

Sarah Richmond, BSN, CMSRN

Julie Welsh, MS, APN, CMSRN, CNS-BC, RN-BC, CRRN

Miranda Woodson, BSN

Clinical Leadership Award

Nationally recognizes an AMSN member for outstanding professional achievement and leadership within the medical-surgical clinical setting. The award acknowledges a registered nurse whose leadership qualities emulate the highest of professional standards and have improved the image and practice of medical-surgical nursing. The leader exhibits compassion and commitment to patients, colleagues, and the profession of medical-surgical nursing.

2019 Clinical Leadership Award Recipient:

Kelley Cartwright, MSN, RN, CNL, CMSRN, CCAP

Clinical Practice Award

Nationally recognizes an AMSN member for outstanding professional achievement and contributions as a medical-surgical registered nurse. The award acknowledges a registered nurse who demonstrates a high level of skill in the direct care of the medical-surgical patient and has improved the image and clinical practice of bedside med-surg nursing.

2019 Clinical Practice Award Recipient:

Leisa Kelly, MS, APRN-CNS, CEN, CMSRN

CMSRN of Distinction Award

Nationally recognizes a registered nurse who is certified as a certified medical-surgical nurse (CMSRN) and exemplifies the mission, vision, and core values of the Medical-Surgical Nursing Certification Board (MSNCB). This award acknowledges a registered nurse who is dedicated to promoting and communicating the value of certification by providing education and support to peers, a healthcare organization, patients, and/or the community.

2019 CMSRN of Distinction Award Recipient:

Mimi Haskins, DNP, RN, CNS, CMSRN

SCHOLARSHIP, GRANT, AND AWARD ACHIEVEMENTS

Convention Grant

Provides an opportunity for AMSN Members to expand their knowledge and expertise in the specialty of medical-surgical nursing by attending the AMSN Annual Convention.

2019 Convention Grant Recipients:

Claire Bethel, MSN, RN-BC

Melori Caudill, MS, CMSRN

Kaitlin Downs, MSN, BSN, ASN, LPN, CMSRN

Jyme Blaine Jumper, BSN, RN, CMSRN

Christy Rodgers, BSN, RN, CMSRN

Richard Spencer, BSN, RN, CMSRN

Barbara Sayre Trotter, RN, BSN, CMSRN

Nurse in Washington (NIWI) Internship Grant

Provides an AMSN member the opportunity to participate in the Nursing Organizations Alliance (NOA)'s annual Nurse in Washington conference.

2019 NIWI Internship Grant Recipient:

Malorie Bishop, RN, CMSRN

Nursing Research Grants

Supports medical-surgical nursing research conducted by beginning or advanced researchers.

2019 Nursing Research Grant Recipient:

Identifying "Risk Rooms" in Medical Surgical Units

Valerie Daneshi, PhD, RN, CCRP

The Anthony J. Jannetti Award for Extraordinary Contributions to Health Care: "The Tony Award"

Established in honor of Anthony J. Jannetti in recognition of the support Tony has provided to the profession of nursing and to the formation of the Academy of Medical-Surgical Nurses. Just as Tony has provided extraordinary support of nursing, the purpose of this award is to recognize the extraordinary contributions of a nurse towards the enhancement of health care. It is intended to acknowledge a nurse who has made a significant impact on nursing specifically and health care as a whole.

2019 Tony Award Recipient:

Linda Burnes Bolton, DrPH, RN, FAAN

The AMSUN PRISM Award[®]

Premier Recognition in The Specialty of Med-Surg

Your Unit. Your Award.

Performance. Leadership. Outcomes.
Exemplary performance deserves
recognition.

The Academy of Medical-Surgical Nurses (AMSUN) offers the AMSUN PRISM Award[®] for medical-surgical / individual acute care units of outstanding practice.

The award spotlights your unit as a respected model of excellence, and a standard to which others should aspire.

If your combined adult / pediatric unit meets the criteria and guidelines, we urge you to take the next step.

When you achieve this award, it is personally presented by an AMSUN representative – because we believe your exemplary efforts deserve face-to-face honors.

This award has a rolling application deadline.

For Application and Instructions on Getting Started

amsn.org/PRISM • 866-877-2676 • amsn@amsn.org

Become a CMSRN[®] *Certification* Champion!

It's as easy as 1-2-3!

1

ADVOCATE for certification.

2

REFER a nurse to take the CMSRN exam.

3

EARN entries for a monthly drawing
for a \$100 Visa gift card!

- Only MSNCB certified nurses are eligible to earn entries for the drawings.
- Referring nurse receives an entry for each referral.
- All exam eligibility requirements must be met at the time of exam registration.
- Have your colleague complete the referral field with your name on the exam application.
- Referrals cannot be retroactive.
- Campaign runs through June 2020.
