- By participating in MSPEN22, I hereby grant MSPEN permission to make, use and distribute such items, and I waive any rights to seek payment or compensation.

Continuing Education Information
Course Goal and Target Audience: The objective of this conference is to support healthcare professionals in the development of safe and effective practices for delivery of nutrition support therapy by providing evidence-based education. This program is designed for healthcare practitioners to further their knowledge of nutrition support.

Learning Level: The sessions in this conference are planned at the intermediate learning level. Intermediate assumes general knowledge of the literature and clinical practice within the areas covered. Intermidates sessions are aimed toward individuals wishing to expand their skills and knowledge base.

Successful Completion: To obtain credit for this course, participants must attend in full each session claimed for credit and complete the evaluations in ASPEN's eLearning Center at www.nutritioncare.org/evaluation. Registered attendees may log in with the email address and password on file with ASPEN. All evaluations must be completed, and credit claimed by December 11, 2022, no exceptions.

Pharmacists must enter their NABP profile ID and birthday (MM/DD). Pharmacists who do not claim their CE credit by the deadline and provide ASPEN with the correct NABP profile ID and birthday risk not having the earned credit submitted to the NABP and ACPE, which must be done within 60 days of the event. ASPEN submits only the information that is entered by the pharmacist when credit is claimed and is not responsible for following up with pharmacists to obtain any corrected information to ensure an error-free submission. More information on the pharmacists' requirements are available at:
http://www.nutritioncare.org/Continuing_Education/Claim_CE_Credit/Continuing_Education_Credit/
