Oversight of Covid-19 Funding Streams

PLANNING FOR THE FUTURE

As CHC leaders, it is important to always be thinking about and planning for the future, and not lose focus based on today’s pressing items. Every decision made in the health center has a financial consequence. Sometimes those consequences impact deeper than others. So now is the time to intentionally act and make sure the health center is stronger than before the pandemic. Strong accounting systems, strong financial vision and strong comprehension of what is possible within the parameters available.
ANNOUNCING 60-DAY GRACE PERIOD—REPORTING PERIOD 1

The September 30, 2021 Reporting Period 1 deadline has not changed, however in response to challenges providers are facing given the Covid surges and natural disasters around the country a 60-day Grace Period is in place. This period allows providers to come into compliance with their PRF reporting requirements should they fail to meet the September 30, 2021 deadline.
